The below items should be submitted to both the THA and HOA boards for approval.

JOINT PROJECT BETWEEN THA AND HOA

INCREASE PARKING PADS IN THE LINE DRIVE/TRAP WAY CUL-DE-SAC BY PUTTING DOWN OPEN PARKING PAVERS: (THIS WOULD ALLOW OWNERS THAT HAVE A GARAGE EASIER ACCESS TO PARK IN THEIR GARAGE OR BESIDE THEIR GARAGE. IT WOULD THEN ALLOW MORE OF THE PARKING SPACES IN FRONT OF THE TOWN HOME UNITS IN THESE AREAS TO BECOME VISITOR PARKING. ONCE THIS PROJECT IF APPPROVED IS COMPLETED, THEN THE HOA SHOULD TAKE OVER ALL RESPONSIBILITY FOR ALL VISITORS PARKING SPACES.

***SUBMIT TO CYPRESS ISLAND THA BOARD:***

***RESTRIPE THE PARKING PADS AND VISITOR SPACES ALONG LINE DRIVE/TRAP WAY CUL-DE-SAC***
